

The 2015 Conference on Language, Literature and Teaching & Cambridge English Language Assessment—November 26, 2015

On November 26, National Chin-Yi University of Technology (NCUT) will sponsor an academic conference on **Language, Literature and Teaching & Cambridge English Language Assessment**. We take the greatest pleasure in inviting you and your professional team members to attend this international conference and engage in panel discussions with NCUT's faculty.

The basic aim of this conference is to provide a venue for educators and scholars to present works on a wide variety of pedagogical, theoretical and empirical issues regarding the multi-disciplinary studies of second and foreign language teaching and research. On that day we will gather to share information and capitalize on each other's learnings, experiences, and contributions. This conference will also give you an opportunity to make global connections with people in your field. The sessions will be supplemented by keynote speeches delivered by distinguished professionals.
